# THE FARM

AT SAN BENITO

Unlike other rejuvenation methods, the Geneveve™ procedure works gently in restoring the youthful tautness in the vaginal walls, even with just one treatment session. The Geneveve by Viveve treatment involves a 30-minute treatment with no anesthesia and no down time. It is a painless, medical treatment that can increase the amount of pleasurable friction and sensation during intercourse. It works at the cellular level to tighten the tissue at the vaginal opening from within, gently and gradually. Geneveve treats the condition of vaginal laxity, which results from over stretching the vaginal introital (opening) tissue during childbirth. As a result of this tissue damage, women can experience a decrease in sexual satisfaction and physical sensation during intercourse, which may adversely impact their sexual health and quality of life.

## Pollogen Divine Pro

A holistic approach to repair signs of aging, unveiling the beauty from within at any age. This provides an effective facial rejuvenation treatment, including dermal volumizing and skin firming, through a comfortable treatment. Pollogen Divine Pro incorporates a combination of clinically proven technologies: VoluDerm micro-needling with RF, TriPollar RF with Dynamic Muscle Activation (DMA) and TriFractional RF. These multidimensional treatments work together to renew the deep dermis, mid-dermis and epidermis, offering a holistic approach for repairing the signs of aging.

### DERMAL VOLUMIZING

<b>Peri Orbital So Divine</b>	<b>PHP 34,000++</b>
<b>PeriOral So Divine</b>	<b>PHP 34,000++</b>
<b>Nasolabial So Divine</b>	<b>PHP 34,000++</b>
<b>Lip Enhancement</b>	<b>PHP 34,000++</b>
<b>Neckrejuve So Divine</b>	<b>PHP 40,000++</b>
<b>Full Face So Divine</b>	<b>PHP 40,000++</b>

This enables safe and effective penetration of the epidermis for controlled heating targeting deep dermis. This minimally-invasive treatment uses fine microneedles, while applying RF to volumize the deep dermal layer. The microneedles stimulate the body to naturally produce hyaluronic acid, new collagen, and elastin.

### TRI-FRACTIONAL RF

<b>Full Face</b>	<b>PHP 30,000++</b>
<b>Half Face</b>	<b>PHP 20,000++</b>
<b>Neckrejuve</b>	<b>PHP 30,000++</b>
<b>Forehead</b>	<b>PHP 20,000++</b>
<b>Periorbital</b>	<b>PHP 20,000++</b>
<b>Nasolabial</b>	<b>PHP 20,000++</b>
<b>Scar/pc</b>	<b>PHP 6,000++</b>

Energy rejuvenates the outer epidermis layer. This minimally invasive treatment creates micro-wounds which trigger the body's natural skin-healing mechanisms. Old and damaged skin cells are removed and replaced by new and healthy skin produced by the body.

### RF (RADIOFREQUENCY)

Facelifting RF	PHP 20,000++
Neck Revive RF	PHP 20,000++
Hand Revive RF	PHP 20,000++

### DYNAMIC MUSCLE ACTIVATION (DMA)

Face	PHP 10,000++
Hands	PHP 10,000++
Arms	PHP 10,000++
Stomach Area	PHP 10,000++
Butt	PHP 10,000++
Thighs	PHP 10,000++

Dynamic Muscle Activation combines non-invasive technologies which use radiofrequency energy to generate heat through resistance in the dermal layer causing collagen fibers to contract. This creates an immediate skin tightening effect and increased fibroblast activity results in collagen regeneration for long term effect. DMA energy stimulates the facial muscles resulting in lifting and toning of the SMAS (Superficial Muscular Aponeurotic System). DMA accelerates lymphatic drainage, blood and lymph circulation optimizing tissue oxygenation and detoxification.

### DIVINE PIMPLE SCARS & BLEMISHES DNA-RNA REMOVAL

PHP 12,000++

Targets dehydrated, Dull and Rough Skin, Enlarged Pores and Fine Wrinkles. DNA-RNA Complex contains hydrolysed RNA and DNA segments of LOW MOlecular Weight, known as nucleotides that fight skin dehydration. At the same time they significantly enhance the functional activity of skin cells by producing collagen and protecting the cell membrane from free radicals and oxidative.

### DIVINE BRIGHTENING INFUSION

PHP 75,000++

#### *3x Full Face Sessions in 1 Month or 1 Body Area*

Tri-fractional micro needling laser infusion with ultrasound – no down time!

Bring new life to dull, stressed skin and restore skin's youthful radiance and suppleness! Giving the skin an instant enhanced glow, uniformed color, and brightness. Active ingredients act in synergy in order to “whiten” the skin making its color uniform, peptides, Vitamin C and  $\alpha$ -Arbutin, that help decolorize freckles and age spots, increasing the levels of moisture and forms a uniform skin tone. This is a cutting-edge micro-needling RF technology that has been clinically proven to reduce the signs of aging and rejuvenate the skin. This is effective and suitable for all skin types and ethnicities. This also stimulates the body to naturally produce hyaluronic acid, new collagen, and elastin.

### DIVINE SIGNATURE SKIN-REJUVIN MAKE-OVER+NMF

#### *(Natural Moisturizing Factor)*

#### *3x Full Face Sessions, 3x Full Face Tri-Lipo Lifting and Contouring Sessions, OR 1 Body Area*

VoluDerm laser-microneedling infusion with ultrasound – no down time!

## THE FARM AT SAN BENITO

Targets skin dehydration, dry and dull skin, photo aging, deep wrinkles, fine lines, skin roughness, loss of skin firmness, and volume. This treatment focuses on skin hydration, remodeling, tightening, and reduction of wrinkles. A highly potent anti-ageing infusion, taking part in the normal development and healing of the skin, while it simultaneously reduces wrinkles by enhancing the production of new skin cells, improving skin elasticity, by naturally increasing elastin and collagen formation of the skin. This treatment decolorizes freckles, spots, and increases the levels of moisture and forms a uniform skin color tone. This provides a repairing, hydrating, soothing, and anti-inflammatory action similar to our skin's own NMF or Natural Moisturizing Factor. This also includes boosters that improves blood circulation, increasing oxygen supply to tissues, accelerating the skin's regeneration rate, while boosting the infusion of skin cocktails containing MMW hyaluronic acid, biomimetic peptides, DNA-RNA complex, arginine, as well as hydrating agents.

### **DIVINE FACE-AGE REVERSE HYAL INFUSION**

**PHP 90,000++**

***3x Full Face Sessions DS-RI, 3x Full Face Tri-Lipo Lifting, and Contouring Sessions, OR 1 Body Area***

### **SMOKERS-SKIN SO DIVINE-AA2G**

**PHP 95,000++**

**3x Full Face Sessions DE-AA2G, 3x Full Face Tri-Lipo Lifting and Contouring Sessions, OR 1 Body Area**

VoluDerm laser micro-needling infusion with ultrasound – no down time!

Targets smokers' skin, photo aging, wrinkles, fine lines, loss of firmness, melasma, skin spots, freckles, dull skin, skin roughness. This is an effective activity of antioxidants, UV protection, total skin rejuvenation, tightening, enhanced skin glow, and youthful radiance. This cocktail infusion gradually releases Vitamin C, providing higher efficiency in its proven effects. This also promotes collagen formation, reduces free radicals, erythema, and swelling caused to the skin by sunlight, and the harsh effects of smoking, this also reduces expression lines and wrinkles. This unique treatment stimulates the body to naturally produce hyaluronic acid, new collagen, and elastin.

### **DIVINE-SKIN LINES AWAY INFUSION**

**PHP 68,000++**

**3x Full Face Sessions OR 1 Body Area**

VoluDerm laser micro-needling infusion with ultrasound – no down time!

Targets expression wrinkles and fine lines (forehead, laugh lines, mouth areas, lip contour). This infusion reduces expression, inhibiting the contraction tension of muscles. The action does not intend to “immobilize-paralyze” the muscles, like conventional “Botox” treatments do, but the infusion relaxes the muscles. As a result of the mechanism of action, muscle contractions are limited and expression lines and wrinkles are softened. This infusion gives a resting phase, reducing muscle contractions, preventing the formation of lines and wrinkles.

### **DIVINE-SKIN PHOTO AGING AND FINE LINES INFUSION**

**PHP 70,000++**

**3x Full Face Sessions DMI, 3x Full Face Tri-Lipo Lifting and Contouring Sessions, OR 1 Body Area**

VoluDerm laser micro-needling infusion with ultrasound – no down time!

Targets photo aging, fine wrinkles, expression lines, deep wrinkles and looseness. This infusion uses Matrixyl-3000 and ARGIRELINE® peptide that provides versatile remodeling and efficiently reduces fine lines. The peptides bind to the cell membrane that naturally activates processes aiming to reduce wrinkles, improve skin textures, increase collagen, and promote fibronectin formation. The infusion decreases and relaxes muscle contraction and expression wrinkles formation with excellent anti-wrinkle results, that are visible right after treatment.

### LOOSE-SKIN MAKE IT DIVINE

PHP 95,000++

**3x Full Face Sessions, 3x Full Face Tri-Lipo Lifting and Contouring Sessions OR 3 Body Area Sessions, 3 Body Area Tri-Lipo Lifting and Contouring Sessions**

VoluDerm laser micro-needling infusion with ultrasound – no down time!

Targets loss of firmness and elasticity, wrinkles and stretch marks for both face and body. This cocktail infusion delivers tightening and lifting results on both face and body areas. This involves the increase of muscle tone and biosynthesis of the skin cell membrane. Thus the looseness of the skin is reduced, the elasticity is restored and its firmness is improved, at the same time giving a significant antioxidative properties. The infusion includes doses of DMAE that acts as a carrier for the penetration of active ingredients, a feature that provides an advantage in mesotherapy protocols.
